

COVID-19 RESPONSE SERIES

Five Immediate Steps To Reduce Costs

*Is your healthcare system facing financial strain due to COVID-19?
Need immediate cost reductions?*

Here Are Five Places Hospitals Can Look for Healthcare IT Savings:

After That, Don't Forget...

- Do not take your eye off the ball on key areas such as privacy, security, data storage, and contract management.
- Right-size your software license requirements - If you had a layoff and/or are performing fewer procedures.
- You may have equipment no longer being used by employees who have been furloughed or using their own equipment at home.
